BRING A FRIEND TO SCOUTING – PEER TO PEER RECRUITING

Research shows that if Scouts have friends with them in Scouting, they will stay longer in the program. Each Scout who brings a NEW youth to a Scout meeting will receive a special recruiter patch. Fill out the form below for unit leaders to turn in to the Council or District Membership persons for review and distribution. Forms will be available at the April/May Roundtable.

HOW IT WORKS:

When a youth has brought a friend to a Scouting event, please fill out the form and turn in. Unit leaders will verify and authenticate participation. Patches will be either mailed or distributed at roundtable. Forms must be received by September 15, 2005 to receive patch recognition.
